

Penny Early – Board Member

Penny is passionate about Manchester. She was involved in the development and delivery of the Bridgewater Hall, the Manchester Central Convention Centre, the National Cycling Centre and other key projects. She was also a director of the Commonwealth Games company. Currently, Penny is a trustee of HOME, the new Manchester arts centre and is supporting Chethams School of Music on the development of their new concert hall. After living in Didsbury for seven years, Penny has wanted to contribute to local community life and feels that her enthusiasm, career experience and current projects could benefit DAF as it moves into the next phase of its development.
